NOTE 1. Accounting Policies

Corporate information

Assuranceforeningen Gard –gjensidig- is a mutual insurance association.

As a mutual insurance association it is owned by its Members. The registered office of the association is Kittelsbuktveien 31, 4836 Arendal. The association carries out marine liability and legal costs insurances. The principal activity of the association is the insurance of marine Protection and Indemnity risk on behalf of its Members, including the reinsurance of a proportion of the Protection and Indemnity risk underwritten by Gard P. & I. (Bermuda) Ltd as direct insurer.

Basis of preparation of the Accounts

The accounts of insurance companies are subjects to regulations established by the Ministry of Finance. The quarterly Accounts have been prepared in accordance with "Regulations for annual accounts for insurance companies" approved by the Norwegian Ministry of Finance, which includes a limited use of IFRS regarding disclosures to the accounts.

The Association has a dispensation from the requirement to allocate investment return to the technical account.

According to a resolution from the Financial Supervisory Authority of Norway the Association can present the accounts in English language and USD, since the functional currency of the Association is USD. The association is exempted from presenting the statutory administrative expense reserve and the contingency reserve separately.

The quarterly accounts are based on the same accounting principles as used in the annual accounts for the year ended 20.02.2013.

The accounts as at 20.05.2013 has not been audited.

Use of accounting estimates when preparing the accounts

The preparation of the accounts requires the Management to make estimates and assumptions that affects assets, liabilities, revenues, expenses and contingent liabilities. Due to circumstances in the future these estimates can change. Estimates and their assumptions are considered continuously, and accounts adjusted accordingly. Insurance contract liabilities are the main items in the balance sheet based upon judgments and estimates. Estimates are made both for the expected total cost of claims reported and for the expected total cost of claims incurred but not reported at the balance sheet date.

Actuarial methods are used in estimating the total cost of outstanding claims.

Note 2. Related party transactions
