

## Entry into Force of the Nairobi International Convention on the Removal of Wrecks

Dear Sirs,

Circular [12/2014](#) informed Members that the Nairobi International Convention on the Removal of Wrecks ("WRC") enters into force on 14 April 2015.

This additional circular provides a reminder to Members that if the vessel is flagged in a State Party or calling at a port or offshore facility in a State Party it is a requirement to obtain a certificate from a WRC State Party attesting that insurance or other financial security is in force in accordance with the Convention.

The WRC provides that with respect to a ship registered in a State Party, such certificate shall be issued or certified by the appropriate authority of the State of the ship's registry. Ships flagged in countries that are not parties will need to obtain a certificate from a relevant authority in a State Party. There is a full list of signatory states at the end of this circular.

The following WRC States' maritime authorities have on the date of publication of this circular agreed to issue certificates to ships flagged in countries that are not party to the Convention, subject to any conditions the relevant authority may apply.

United Kingdom  
Germany  
Denmark  
Marshall Islands  
Liberia  
Palau  
Cook Islands  
Malta

The International Group has been informed by the Merchant Shipping Directorate of Malta that the Convention will enter into force in Malta on the 14 April 2015 and therefore any certificates for Malta flagged vessels issued by virtue of the national legal instrument transposing the Convention will be valid as of 14 April 2015.

The Merchant Shipping Directorate has confirmed that owners of ships on the Malta Ship Register who have received WRC blue cards from their clubs and WRC certificates from other States Parties, prior to Malta's accession to the WRC, will have such certificates respected for this policy year.

Certificate applications may be made to the following maritime authorities. Where the information is available addresses for applications are listed below. However, members should be aware that there are likely to be specific requirements for applications and they are recommended to check the website of the relevant authority or contact them directly for information on the procedures for application. At this time many of the State Parties would seem to be still in the process of finalising and publishing their procedures.

### **United Kingdom**

Maritime and Coastguard Agency.  
Applications should be addressed to:

Mr T Cornish  
Maritime and Coastguard Agency,  
Spring Place,  
105 Commercial Rd,  
Southampton,  
United Kingdom  
SO15 1EG

Application form link:
