### PRICE CAP ATTESTATION FOR RUSSIAN ORIGIN OIL AND/OR PETROLEUM PRODUCTS

1. The Assured represents and warrants that for any provision of services related to the maritime transportation of Russian origin oil or petroleum products by any party entitled to cover has been, is, and will be in compliance with the price cap policy administered and enforced by the governments of the United Kingdom, the United States, the European Union and its Member States, including their allies and partners such as Japan and Norway. The Insurer may notify relevant authorities of information that provides a reasonable cause to suspect that a violation of the price cap policy has taken place.
4. The Insurer shall not indemnify an Assured against any liabilities, costs or expenses where the provision of cover, the payment of any claim, or the provision of any benefit in respect of those liabilities, may expose the Insurer to risk of violation of the price cap policy. In the event the Insurer determines that a violation of the price cap policy has taken place, the Insurer may immediately terminate the insurance cover and will have no liability whatsoever under the insurance cover beyond what is permitted by applicable law.
