

Russian Petroleum Products Wind Down Attestation - Hull and Machinery and/or other hull insurance covers (incl Increased Value, Loss or Hire, and War insurances)

Issued to (please select correct insurance company):

Gard Marine & Energy Insurance
(Europe) AS

Gard Marine & Energy Limited

On behalf of all co-insurers named on the applicable slip.

Address of Insurer: P.O. Box 789 Stoa, NO-4809 Arendal, Norway.

RUSSIAN OIL WIND DOWN ATTESTATION

1. The Assured represents and warrants that Russian Petroleum Products loaded on board the

(the "Vessel") was:

(a) loaded onto the Vessel at the port of loading prior to 5:01 a.m. GMT February 5, 2023, and
(b) was or will be offloaded at the port of destination prior to 5:01 a.m., GMT, 1 April 2023

1. The Assured has retained information and documentation; (i) pertaining to the details of the voyage (including the load and discharge port, and parties to the transaction); and (ii) demonstrating that the Russian oil was loaded onto the Vessel at the port of loading prior to 5:01 a.m. GMT February 5, 2022, and was or will be offloaded at the port of destination prior to 5:01 a.m., GMT, 1 April 2023; and will supply the same to the Insurer as quickly as practicable upon request and in no case later than five business days of the request.
2. The Assured and the Insurer will retain the executed version of this attestation for five years.
3. Insurer shall not indemnify the Assured against any liabilities, costs or expenses where the provision of cover, the payment of any claim, or the provision of any benefit in respect of those liabilities, may expose Insurer to risk of violation of the price cap policy. In the event Insurer determines that a violation of the price cap policy has taken place, Insurer may immediately terminate the insurance cover and will have no liability whatsoever under the insurance cover beyond what is permitted by applicable law.
4. The Assured understands that this attestation is intended to convey the same benefits for Insurer's followers and reinsurers.
